Dear Mr. Collins:

This will acknowledge receipt of your recent correspondence concerning the above-referenced quarry application in Berkeley County. Your letter is being made a part of the permanent records concerning this application, and it will be given proper consideration during the recommendation process to approve or deny the application.

A copy of your letter has been forwarded to North Mountain Shale, LLC. Agency policy requires the applicant make a valid effort to address all comments set forth in comment letters before a recommendation is made to approve or deny the application. North Mountain Shale, LLC will be contacting you concerning your comments.

If you wish to discuss the application further, you may contact either me or Inspector Charlie Combs at the phone number on this letterhead.

Sincerely,

Randy Moore,
Permit Supervisor
