Policy Regarding Section 705: Sidewalk Requirements

At the March 28, 2011 Planning Commission meeting, the Planning Commission approved the following policy:

Previously approved projects (Commercial, Industrial, and Residential) that have been designed and approved under previous regulations or facilities constructed before the existence of the Planning Commission (September 1975) are exempt from requirements in Section 705 of the 2009 Subdivision Regulation within their approved or existing limits.
